PLANNING GUIDE / NOVEMBER 2026

Project enquiry checklist

Bring the details below when asking about a product or quotation. Approximate information is fine; the sales team can help identify what else is needed.

☐ Site task

Wall, floor, tile, waterproofing or repair work?

☐ Surface

Concrete, blockwork, screed, existing finish or other substrate?

☐ Area and layers

Approximate area in m2 and target thickness, if known.

☐ Environment

Indoor, outdoor, wet area or exposed location?

☐ Project location

Town, state and any site access requirements.

☐ Timing

Expected start date and delivery window.

☐ References

Photos, drawings or an existing product code, if available.

☐ Your contact

Name, company and phone or WhatsApp number.

Send your enquiry

Visit www.yjindustries.com.my or WhatsApp +60 12-755 5690. This checklist is a planning aid; it does not replace a product TDS, application instructions or project-specific advice.
